APPROVE MINUTES - June 10, 2021 Regular Business Meeting

Motion: Approve as distributed – by Bill Pifer, second by Frank Haun. Motion passed unanimously.

PUBLIC COMMENT

None

CHAIRMAN - OPENING REMARKS

Chairman Pifer thanked the board for their support and especially Gene Fisher for his mentorship through the transition of the chairmanship. He added that the airport is in a moment of tremendous growth and his goal is to continue that success.

COMMITTEE REPORTS

(a) Finance Report – Leslie Melanson, Secretary/Treasurer – Nick provided a report on the pre-audit June 2021 financial statements on behalf of Leslie.

Motion: Accept finance report – by Dave Reichert, second by J.J. Smith. Motion passed unanimously.

- **(b) Building/Lease Committee Vacant –** No report. Nick commented that he will seek board inputs/approval on procedures for leasing space in the future terminal building.
- (c) Minimum Standards/Personnel Committee David Reichert, Chair No report.
- (d) Marketing Committee Bill Pifer, Chair No report.

OPERATIONS REVIEW

Dave gave an update on the Terminal Site Work Phase 1 project. We are still awaiting Rappahannock Electric to set the transformer. The USDA has been out several times per the wildlife management contract. There have been no reported deer sightings by airport since operations commenced. The airport took receipt of a 2020 Ford F-150 to serve as a line service operations vehicle. The Frederick County Sheriff's Office is completing an airport security audit required by the Virginia Department of Aviation Security Program every 3 years. The semi-annual storm water sampling and testing was completed in June to remain in compliance with the airport's storm water discharge permit. Dave gave an overview of the airport's involvement with the GSA surplus program.

NEW BUSINESS - EXECUTIVE DIRECTOR

There is a resolution for City Council's consideration next week to clarify language in the original property deed from the City to the Authority in 1987.

A rezoning application for the former Carpers Valley golf course parcel, now known as One Logistics Park, will be taken before the Frederick County Board of Supervisors. The rezoning application provides for commercial and industrial uses and eliminates a residential component on the property.

Nick gave an overview of the improvements we've made to Hangar 509 with bond proceeds. The board discussed the need for other improvements prior to closing the bond and amortizing the remaining loan balance based on actual amount drawn down. Bill requested a list of final cost items for consideration before we act to close the bond. Frank asked if not closing the bond would adversely affect the audit. Nick responded that he will pose this question to our auditors.

We have completed the 30% schematic design phase of the airport terminal building. The initial cost estimate shows approximately \$500/sq ft. We are working with AECOM to refine the building materials, etc. to ensure we have a good understanding of the highest cost items as we move into design development. Nick articulated the need to commit to the building program (i.e., square footage) that will benefit the airport the most for the next 50 years. A key element of the future building will be to have leasable space that can generate new revenue streams for the Authority and make it a more capable building overall. Nick discussed an application direct to the General Assembly for an earmark grant in the American Rescue Plan Act (ARPA) appropriation process. Bill added comments about the ARPA request and discussed our recent meetings with Delegate Gooditis and Senator Vogel.

Carley Walker discussed the planning for a capital campaign, and the need for engaging with community leaders about the great things happening at the airport. We believe that partnering with the community is a key to our future success. Carley asked the board of directors to identify people who may be interested in an airport tour so we can share our story. Dave Reichert suggested reaching out to the Chamber of Commerce to host an event at the airport. Bill added that outreach to school groups and other entities that may not typically be affiliated with the airport has immense value, especially to our elected leaders.

At this time Nick discussed the FY 22 promotion grant offered by the Virginia Department of Aviation (DOAV). The revenues and expenses were included in the approved FY 22 budget.

Motion: Authorize Executive Director to make application to the DOAV for a grant under the promotion program for \$15,000 as budgeted in the FY 22 budget, and execute all necessary documents to apply for and accept the grant. Motion passed unanimously.

WRAA Meeting Minutes – July 8, 2021 Page 3 of 3

Nick concluded with a brief summary of FY 21 highlights:

- Total fuel volume up 58% over preceding year
- Rental income up 8% over preceding year
- Highest net fuel sales (profit) in 7 years
- Highest gross fuel sales in 10 years
- Highest gross revenues in 10 years

COMMENTS - BOARD MEMBERS

Bill Pifer – Bill said that the community would benefit by deepening our partnership with the local library to conduct interviews with Authority members for archival purposes. These would be a great resource to continuously record the airport's history.

Dave Reichert – Dave said that his tenure on the board is drawing to a close. He has seen the airport grow over the years, and is proud of the steps taken in recent years. It has been an honor to work with fellow board members and thanked Nick for the professionalism he has brought to the airport. Nick thanked him and credited airport staff and a supportive board as instrumental to our shared success.

ADJOURNMENT

Motion: There being no further business, a motion was made to adjourn at 6:15 P.M. – by J.J. Smith, second by Gene Fisher. Motion passed unanimously.

Respectfully submitted,

J.J. Smith, Secretary/Treasurer
